Depositions

Case: Johnson, Myrna v Fred Meyers [23003]

Client: Myrna Johnson

CLF: 23003

D/O: March 18, 2002

#### Dear Counsel:

I hand-delivered to Jim Dickens on January 24, 2006 a copy of *Plaintiff's First Requests* for *Production of Documents Addressed to Defendant Jaime San Miguel*. Those Requests were originally served by Ms. Fredericks on <u>January 3, 2005</u>. I expected a response by this time and have neither received the requested discovery nor a request for any extension of time to respond to those year old requests. Please consider this request our formal meet and confer on these past due outstanding discovery requests.

In addition, I served on February 15, 2006, *Plaintiff's Second Requests for Production of Documents to Defendants Dated February 14, 2006.* Please advise if there is going to be any delay in receiving them within the normal 30 day time period allowed by the FRCP.

Consistent with my earlier letters, please find enclosed deposition notices for Dennis Afflect, Ken Haverkost, Jim Hill and Mary Lucas for the week of April 10, 2006. I will issue subpoenas for Jim Hill and Mary Lucas as you have indicated they no longer work for your client.

I look forward to receiving the requested discovery and seeing Jim in Portland the week of April 10, 2006.

Case: Johnson, Myrna v Fred Meyers [23003]

Client: Myrna Johnson

CLF: 23003

D/O: March 18, 2002

#### Dear Counsel:

In preparing for next week's depositions and reviewing Jim's correspondence, I note that there's been no confirmation that Fred Meyer will produce 30(b)(6) deponents for the following identified categories of discovery:

1. The person(s) most knowledgeable in regards to any internal investigation or inquiry conducted by Fred Meyer into the circumstances leading to the termination of her employment in March 2002.

2. The person(s) most knowledgeable in regards to training provided to Myrna Johnson in regards to how to apply for Personal Leave and/or Family Medical Leave;

3. The person(s) most knowledgeable in regards to training provided to Myrna Johnson in regards to Fred Meyer Stores' discipline process, including it's progressive discipline as to "verbal warnings", written "verbal" warnings and written warnings.

4. The person(s) most knowledgeable in regards to any investigation undertaken as assertions or allegations that defendant Jaime San

Miguel may have had improper motive in disciplining Myrna Johnson or in hiring Johnna Havard to fill Myrna Johnson's position.

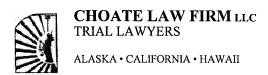

- 5. The person(s) most knowledgeable in regards to any investigation undertaken as to assertions or allegations that defendant Jaime San Miguel made inappropriate sexual references or comments either about Fred Meyer employees or Fred Meyer customers.
- 6. The person(s) most knowledgeable in regards to all training provided by Fred Meyer Stores to Myrna Johnson in regards to how to properly make recoveries.

I need to take the 30(b)(6) depositions on these areas of inquiry in order to properly depose the identified management personnel. Please confirm in writing that you will have witnesses available for these noticed areas of inquiry *preceding* the management depositions. Thank you.

Re: Meet & Confer - Rescheduling of Depositions

Case: Johnson, Myrna v Fred Meyer [23003]

Client: Myrna Johnson

CLF: 23003

D/O: March 18, 2002

#### Dear Counsel:

This letter responds to Ms. Stahlfeld's letter of April 5, 2006 and is our formal request for a conference to meet and confer regarding:

1) The defendants' failure to confirm the availability of FRCP 30(b)(6) deponents for deposition next week; and

The defendants' failure to timely produce a response to Plaintiff's Second Requests for Production dated February 14, 2006.

We gave notice on February 14, 2006 of our intention to take management depositions and simultaneously requested responses to Plaintiff's First Requests for Production and served Plaintiff's Second Requests for Production.

Exhibit 4
page / of 2

- Page 2 April 6, 2006

Subsequently, we were informed by Mr. Dickens that he was unavailable for depositions in March but would be available the week of April 10, 2006. We were also assured we would receive complete discovery responses by March 26, 2006.

We have received no response to our very specific Second Requests for Production dated February 14, 2006. That discovery requested the production of documents identified in the depositions of Mr. San Miguel and Mr. Sayre taken in late January. It is now April 6, 2006, with only a day and a half of the business week before I must travel for next week's scheduled depositions and I have received no responses to those requests other than Ms. Stahlfeld's vague assertion that "documents are being sent via overnight delivery." In addition, I have not received confirmation that Fred Meyer will produce 30(b)(6) deponents for each of the areas of inquiry identified in our 30(b)(6) Notice.

The defendants' failure to respond to our discovery requests in a timely fashion and to confirm the availability of 30(b)(6) deponents makes it impossible to proceed with the scheduled depositions. We will need to reschedule for a date no less than ten (10) working days after I receive the requested discovery and confirmation that Fred Meyer will produce 30(b)(6) deponents for all identified areas of inquiry.

If I do not receive the requested discovery and confirmation by April 14, 2006, I will file a Motion to Compel Production with the Court. In addition, I reserve the right to request that the Court extend the close of discovery because of these delays.

Sincerely

Mark Choate

Client:

Myrna Johnson

CLF:

March 18, 2002

### Dear Jim:

On July 11, 2006 we received Defendants' Responses to Plaintiff's Third Requests for Production of Documents Dated May 26, 2006. In response to our RFP No. 25, you provided document nos. 202414 – 202438G. The documents fall within two categories: (1) "Office Vision" emails relating to complaints regarding Jaime San Miguel's management, and (2) hand-written notes which appear to both memorialize and perhaps comment upon those same complaints. Neither the author nor the creation dates of the hand-written notes are identified.

Succinctly, these documents should have been produced much earlier in this litigation. On January 5, 2005, Plaintiff's First Requests for Production of Documents was served on your office by Ms. Johnson's prior counsel. I asked in early January of 2006 that you respond to that production request and you did so on March 22, 2006. In RFP No. 5, Fred Meyer was asked to: "Please produce all statements...referring, relating to or pertaining to any fact or issue in this matter or the conduct that is the subject of this litigation." You stated that any statement had been or would be provided with those responses.

Similarly, in RFP No. 19, Fred Meyer was requested to: "Produce any document referring, relating or pertaining to verbal or written complaints or expressions of concern from any employee of the Juneau Store regarding San Miguel from 2000 to present." Your answer was "there are none."

Exhibit of a

Finally, in 30(b)(6) depositions, when I was attempting to obtain copies of prior Office Vision emails from this time period, I was specifically told under oath that there were no other Office Vision emails related to this matter or available as they had been destroyed in the migration to a Lotus Notes system.

For these reasons, document nos. 202414 – 202438G, received on July 11, 2006 are a surprise. They deal with complaints about Jaime San Miguel's management style, absenteeism, discipline, treatment of female subordinates, store "tours", recovery and other issues directly related to the disciplinary event which we allege was a constructive discharge of our client.

In the same vein, the extensive hand-written notes by an unknown author describing complaints about San Miguel are clearly responsive to both our earlier discovery and the facts at issue in this case. They should have been produced earlier, in time for us to address their content with the defendants and other Fred Meyer management personnel who have been deposed.

While I'm sure their earlier omission was unintentional, I don't think their late production is justified by the argument that we didn't ask specifically for them earlier. We have sought exactly this type of information since I began discovery in this matter. These documents raise a number of questions which I'm certain will require the reopening of discovery, at least for the limited purposes of inquiring into their content, the events which form the basis for these complaints, the author and approximate creation dates of the hand-written notes and any action taken in regards to these. We'll of course also need to authenticate them in some fashion.

I know you're going into trial and I will be out the next three weeks. Nonetheless, we're going to need to either agree to extend discovery for a reasonable amount of time to address these late-produced documents or I'll have to ask the Court for relief. Please let me know your thoughts on this. I'll be in Seattle from Monday to Wednesday, July 17-19 at the ATLA Convention. If you'll have your legal secretary give my office a call, they can set up a time for us to talk.

Sincered y

1 normal sort of complaints that would have supposed 2 to have gone to the store director?

- 3 **A. Yes.**
- 4 Q. Okay. And did you in your investigation find that 5 this information had gone to the store director but 6 Mr. Sayre had not acted upon or not responded to 7 the complaints?
- 8 A. Either he had not responded to the complaint or had 9 not followed up on addressing the complaints with 10 Jaime.
- 11 Q. Okay. Now, did you ask Mr. Sayre what he had done 12 in regards to these complaints?
- 13 A. Yes.
- 14 Q. Okay. And what did he tell you?
- $15\,$  A. He indicated that he had addressed some of the 16 issues with Jaime, but clearly from what the 17 investigation showed was that, even if he had
- . 8 talked to him about it, it hadn't done any good.
- 19 Jaime hadn't improved his attendance at all.
- 20 So it was a matter of not using the progressive 21 discipline process to address an attendance issue 22 with a manager.
- 23 Q. Did you talk to Mr. San Miguel directly about these 24 complaints?
- 25 A. Yes.

1 A. Yes, he did.

- 2 Q. Okay. Did he admit to you that he did not
- communicate well with his staff during this time
  - period?
- 5 A. He admitted not to calling in when he was not going
  - to come in. As far as his communication to his
- 7 people, he didn't agree with that part of it as
- 8 much. As I recall, he didn't admit to not
- 9 communicating as well as he should have.
- 10 O. Okay. Did you find in your investigation that he
- 11 wasn't communicating as he should have?
- 12 A. The absence of written tours on a regular basis was 13 an indicator that he wasn't communicating well to
- 14 his people.
- 15 Q. Okay. Was there also complaints that Ms. Havard
- 16 when Mr. San Miguel would not show up for work
- 17 would prepare a tour and then Mr. San Miguel when
- 18 he came in late would then tear up her tour? Do
- 19 you recall those complaints?
- 20 A. Yes.
- 21 Q. Did you find that there was support for that, that
- 22 that in fact occurred?
- 23 A. No.
- 24 Q. Did you investigate that?
- 25 A. Yes.

Page 77

Page 79

- 1 Q. Okay. And what was his response in as much detail 2 as you recall?
- 3 A. As I recall, he was having some personal problems 4 at home. He had a young son. He had gone through
- 5 a divorce and had to take his son to daycare on a
- 6 regular basis which interfered with his ability to
- 7 come to work at the time that he was scheduled. 8 Had gone through -- was having some personal issues
- 9 at home, and it was interfering with his job.
- 10 Q. And do you -- at that time did he tell you when he 11 had actually gone through the divorce or been
- 12 separated?
- 13 A. I don't recall how long it had been, but to my 14 recollection, it was still an issue for him.
- 15 Q. Did he admit to you that the complaints were valid,
- 16 that there was substance for the complaints?
- 17 MR. DICKENS: I'm going to object. That's 18 overly broad as to which complaints you mean.
- 19 Go ahead.
- 20 Q. BY MR. CHOATE: We'll break them down. Did he 21 admit to you that he was frequently tardy?
- 22 A. Yes, he did.
- 23 Q. Did he admit to you that when he was tardy he would
- ?4 fail to call in to advise his staff that he was
- 25 going to be late?

- 1 Q. Okay. What was your conclusion in that regard?
- 2 A. I -- there was no -- I had no proof, no witnesses 3 to Mr. San Miguel tearing up tours.
- 4 Q. Were there complaints regarding employee --
- 5 inconsistencies in employee discipline by Mr. San 6
  - Miauel?
- 7 A. You know, that part of it I don't recall as being that big of an issue. 8
- 9 Q. Okay. If you could turn to 202 -- Bates 10 No. 202417.
- 11 A. Okay.
- 12 Q. Can you tell me whose handwriting this is?
- 13 A. That's mine.
- 14 Q. Okay. Real quickly, if we're looking at 202417,
- 15 418, 419, and then 420, 421, 422, 423, 424, 425,
- 16 426, 427, 428, 429, 430, 431, that Bates set, are
- 17 those all your handwritten notes?
- 18 A. Yes.
- 19 Q. Are they all part of the investigation you
- 20 conducted?
- 21 A. Yes.
- 22 Q. Okay. Did you meet with Mr. Sayre before these
- 23 notes were taken or after, if you recall?
- 24 A. I don't recall. I really don't.
- 25 Q. Let me just ask, also. There is a page of

- same process apply to a manager as to an hourly 2 employee for discipline?
- 3 **A. Yes.**
- 4 Q. What is Fred Meyer -- what is the Fred Meyer step 5 discipline process, sort of in a nutshell? I know
- 6 you gave courses on it, so I'm sure you know it. 7 A. Verbal warning, counseling, and then you move to
- 8 written warning, and then you move to suspension, 9 which typically we would not suspend a salaried 10
- employee. If we did, it would be a suspension with 11 pay, which doesn't happen quite often. And then 12 termination would be the ultimate step.
- 13 Q. Now, you mentioned just earlier something called a 14 written verbal warning. Can you tell me within
- 15 this stepped or progressive process, verbal,
- 16 counseling, written, suspension, termination, where
- 17 does a written verbal warning fit in that process?
- 18 A. It's just documentation that a verbal warning was 19 given.
- 20 Q. So is a written verbal warning -- does that occur 21 before counseling?
- 22 A. No. It's just documentation of counseling.
- 23 Q. Okay. Okay. Can you tell me the difference
- 24 between a written verbal warning and a written 25 warning?
- Page 89
- $1\,$  A. A written warning is a warning that is put in 2 writing and given to the associate.
- 3 Q. Is the associate required to sign that?
- 4 A. Yes.
- <sup>5</sup> Q. How does that differ from a written verbal warning?
- 6 A. A written verbal is just another way of saying a 7 verbal warning. It is just documentation that a 8 verbal warning was given.
- 9 Q. Is there a form for written verbal warnings?
- 10 A. No.
- 11 Q. Okay. So how is a written verbal warning supposed 12 to be documented for Fred Meyer in 2002, 2003?
- 13 A. Typically it's either a note that is written that documents that you counseled an employee on a 14 15
- certain date or sometimes managers will use the 16 written warning form and write "verbal warning" on
- 17 the top of it, but it is not given to the
- 18 associate. It is just a way to document that they
- 19 were verbally warned or counseled.
- 20 Q. When you say it's not given to the associate, does
- that mean the associate is not shown it?
- 22 A. That's correct.
- 23 Q. So it's just something the manager would keep
- 24 within the file itself but wouldn't be something
- 25 given to the associate for them to look at or

Page 90

- 1 review because it's not a written warning?
- 2 A. That's right.
- Q. And you -- one of your many hats that you wore at
- 4 Fred Meyer was that you taught a course on
- 5 progressive discipline to your managers; is that 6 right?
- 7 A. That's right.
- Q. As a result of your investigation at Fred Meyer of
- 9 the complaints regarding Mr. San Miguel, did you
- 10 ever determine how many times he had been tardy or
- 11 late for work?
- 12 A. I don't recall how many. 13 Q. Do you recall whether it was more than five?
- 14 A. I believe it was. Yes.
- 15 Q. More than ten?
- 16 A. I really don't recall how many times it was.
- 17 Q. Would it be correct to say that as a result of your 18
- investigation you determined that it was sort of an 19 ongoing practice on his part, it wasn't something
- 20 that just happened once or twice?
- 21 A. That would be correct.
- 22 Q. And as a result of your investigation, did you --
- 23 was there a decision to impose some form of
- 24 progressive discipline on Mr. San Miguel?
- 25 A. Yes.

Page 91

- 1 Q. Who made that decision?
- 2 A. As I recall, it was a joint decision between
- 3 myself, the regional vice-president, and I believe
- 4 that I partnered with the employee relations
- 5 department in Portland.
- 6 Q. And do you recall who you would have dealt with in 7
- Portland?
- 8 A. I don't recall if it was an employee relations 9 administrator or the manager there, Cindy Thornton.
- 10 Q. And is it unusual or out of the ordinary at Fred
- 11 Meyer for you to impose discipline that did not
- 12 include the store manager as part of the
- 13 disciplinary process?
- $14\,$  A. No. Not when we are on site addressing an issue.
- 15 The store manager will -- the store director will
- be a part of the process, but if regional HR comes 16
- 17 in to do an investigation and determines that there
- 18 is some discipline that needs to be dispensed,
- 19 especially in light of the fact that we were having
- 20 issues with the store director addressing issues,
- 21
- it would have made perfect sense to partner on an issue and dispense the discipline at that time. 22
- 23 Q. And what discipline, if you recall, was given to --

imposed on Mr. San Miguel as a result of your

25 investigation?
